

# Hardy Plant Society South Wales Group

## Subscriptions 2020 and thereafter

Membership subscriptions are due annually on 1st April each year. From this year we are setting up a standing order system for paying subs. We hope this will be easier for everyone - no more trying to remember if you've paid or not - and it should certainly mean less work for the treasurer and membership secretary.

Subscriptions are currently £6 per person (i.e. £12 for two people)

Most banks will allow you to set up a standing order mandate via online banking. If you are registered with your bank for online banking, please follow the procedures your bank sets out using the following information:

payee Hardy Plant Society South Wales Group

our bank Barclays Bank, City of Swansea Branch

account number 20438723

sort code 20-84-41

payee reference This is your postcode and initials in the form AB123CD-XY-ZZ. So, if your postcode is CF21 4YZ and your name is Joe Bloggs, you would enter CF214YZ-JB (no spaces). If you live with Amy Bloggs and you both want to pay your subscription this way then you would enter CF214YZ-JB-AB

Payment is due on 1<sup>st</sup> April 2020 and annually thereafter on the same date.

If you do not have access to online banking, please print out and complete the attached Mandate form and send it to your bank. Banks usually require 7-14 days to implement a standing order, so don't worry if your bank does not send us the money on 1 April. They will do so as soon as they can.

If you complete the standing order through online banking you may need to enter a date later than 1 April 2020 for the first payment but subsequent payments should be made on 1 April each year.

We will be really grateful if you will agree to pay your subscriptions this way in future.
